- Follow us on Instagram and Facebook as @joyahomes
- Take a photo of your smiling fingerfamily and post it on 31 May!

Winter warmers and thank-you's.

It is with great joy that we want to share the news of the placement of the first kids in our new house. They have settled in well under the loving care of our foster mother. We believe that love can change the course of a child's life.

We want to extend our thanks to so many friends and donors for the last six months:

- A local shop, Vintage Label, for blessing each child, foster mom and teacher with a warm winter jacket of their choice.
- A local church and business for continuous support with food, nappies and birthday celebrations.
- So many financial donors for supporting our school and other projects.
- We value each donation but even more so, all the hearts that drive this initiative.
